## Summary

My name is Yevgeny, I am 32 years old.

I am a frontend developer with over a year of experience, which includes creating responsive interfaces and optimizing the performance of web applications.

I have experience working in a team and am ready to put my efforts into achieving common goals.

I am currently looking for a job where I can realize my potential, guaranteeing full dedication to work and constant improvement of my skills.

Ready to start immediately and contribute to your success.

I look forward to discussing how I can become a part of your team.
