Summary

Hello, I'm Eugene, I'm 32 years old, I'm disabled. I want to become an IT professional. Now I am looking for a company that will help me in my professional growth and open up opportunities for me to develop in this area. In turn, I guarantee reliable, long-term cooperation with high returns and focus on results. Yes, I do not have much practical experience and I do not know much, but I am ready to work, learn and develop for the benefit of the company (and mine).
